

Office Administration Volunteers Role Description

About Bicycle Queensland

Bicycle Queensland is the pre-eminent voice for community cycling in Queensland. With about 18,000 members statewide, and 32,000 subscribers on our database, we exist to help Queenslanders cycle safely. We are dedicated to the promotion of bike riding as a driving force for individual health and well-being, and the empowerment of sustainable development.

Over the past 40 years BQ has grown from a small collective of cycling enthusiasts to one of the largest and most influential community cycling organisations in Australia.

Ultimately, our aim is to inspire all Queenslanders to ride safely with us, in our collective quest to get Queensland cycling.
