July 2020

Update No.4 - Temporary closures Victoria Park pedestrian and cycle path

The UNITY Alliance wishes to advise cyclists and pedestrians that intermittent off peak closures of the Victoria Park shared user path behind Brisbane Girls Grammar School will be undertaken until late August 2020.

These intermittent closures will be implemented outside morning and afternoon peak periods between 9:00am and 4:00pm between Monday and Saturday.

Traffic management will be in place and pedestrians and cyclists will be detoured via Gregory Terrace and College Road during the temporary intermittent closures.

Signage will be in place to direct pedestrians and cyclists around works areas. Please observe the directions of traffic control while passing through the area.

What to expect

During these works you may notice some intermittent disruptions such as:

- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Some noise, vibration and dust associated with the use of heavy machinery and equipment including excavators, tip trucks, and concrete trucks.

Every effort will be made to keep disruption to a minimum for residents and businesses in proximity to the project site.

We appreciate your patience during construction and will continue to update you as work progresses.

Project information

Subscribing to receive Project Updates and information on construction works is a convenient way to keep up to date with the project and work happening in your area. To subscribe, simply visit the Cross River Rail website and look for the subscription area at the bottom of every page.
