# 5 PLAN CORRIDOR IMPROVEMENTS FOR MAJOR ROADS WITH NO BICYCLE FACILITIES

- Rochedale Rd
- Fairfield Rd
- Gympie Rd corridor
- Moggill Rd corridor

# 6

## INTRODUCE POLICY CHANGES TO SUPER-CHARGE PROGRESS ON ACTIVE TRANSPORT

- Active Transport Infrastructure Policy which pledges positive provision for AT in major road projects, especially if on Principal Cycle Network.
- Transparency re forward projects (BCC to publish plan for 4-year term)
- Lower Speed Limits on local streets (30 km/h is the international best practice).
